About NiKCCIMA:

The Nigeria-Kenya Chamber of Commerce, Industry, Mines and Agriculture (NiKCCIMA/NKCCI) is envisioned as a dynamic platform for strengthening economic ties and promoting synergies between Nigeria and Kenya. This chamber will catalyze enhanced bilateral trade, investment, and collaboration, with a focus on the Maritime and Blue Economy, inland waterways, agriculture, and aviation sectors. The establishment of NiKCCIMA/NKCCI will align with the objectives of the Nigeria-Kenya Blue Economy Transition Strategy Forum, which seeks to strengthen bilateral relations and promote partnerships between industry players from both nations. This concept note outlines the key objectives, mission, vision, and a 5-year post-establishment work plan for NiKCCIMA/NKCCI.

Elevator Pitch: NiKCCIMA is a collaborative hub for businesses, industries, mines, and agriculture in Nigeria and Kenya. Our aim is to facilitate trade, investment, and cooperation between our two nations, focusing on key economic sectors like the Maritime and Blue Economy, inland waterways, agriculture, and aviation. We provide a conducive environment for networking, business growth, and market expansion across Nigeria and Kenya. By connecting opportunities, sharing expertise, and advocating for favorable policies, NiKCCIMA is the driving force behind sustainable economic growth and development in our regions.

Key Objectives:

1. **Promote Bilateral Trade:** Foster increased trade relations between Nigeria and Kenya by identifying trade opportunities and removing trade barriers.
2. **Facilitate Investments:** Encourage investments between the two countries, with a focus on sectors such as the Maritime and Blue Economy, inland waterways, agriculture, and aviation.
3. **Knowledge Exchange:** Promote knowledge sharing, capacity building, and best practices among members.
4. **Policy Advocacy:** Advocate for favorable trade and investment policies that benefit members and support the growth of priority sectors.
5. **Networking:** Provide a platform for members to connect, collaborate, and create new business partnerships.
6. **Research and Innovation:** Encourage innovation, research, and development in sectors that promote economic growth.
7. **Sustainability:** Promote sustainability practices and green initiatives in business and industry.

Mission: To facilitate, promote, and enhance economic ties, trade, investment, and collaboration between Nigeria and Kenya with a focus on the Maritime and Blue Economy, inland waterways, agriculture, and aviation, for the mutual benefit of our members and the sustainable development of our nations.

INSTITUTIONAL GOVERNANCE HANDBOOK *(Board-Approved Reference Edition – 2026)*

1. INTRODUCTION

The Nigeria–Kenya Chamber of Commerce, Industry, Mines & Agriculture (NiKCCIMA) is a reciprocal, bilateral, non-political, private-sector delivery institution established to operationalize structured trade and investment flows between Nigeria and Kenya within the framework of AfCFTA.

This Governance Handbook codifies institutional authority, reporting lines, accountability standards, and performance expectations across:

- Global Secretariat (Continental Oversight)
- Nigeria Chapter (West Africa Execution Hub)
- Kenya Chapter (East Africa Execution Hub)
- Sectoral & Technical Platforms (Implementation Engines)

NiKCCIMA operates as a governed AfCFTA delivery corridor — not a ceremonial chamber.

2. INSTITUTIONAL MANDATE

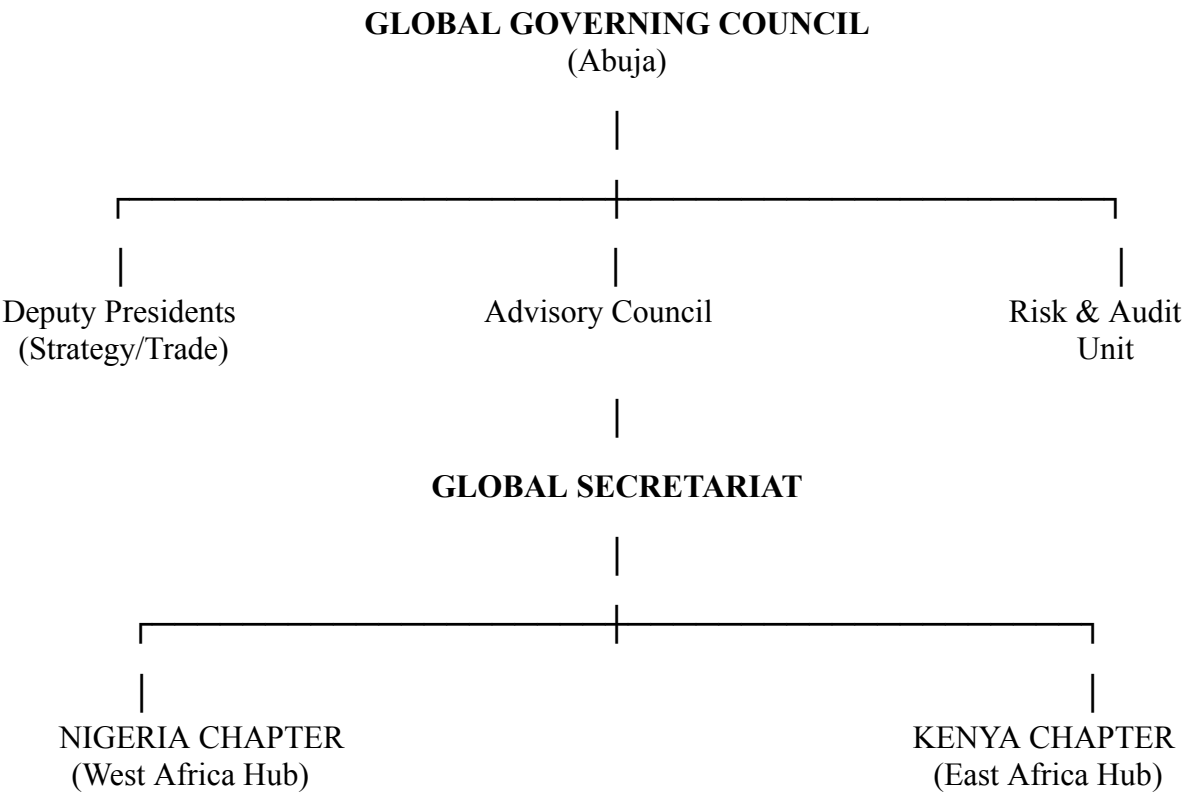

Mission

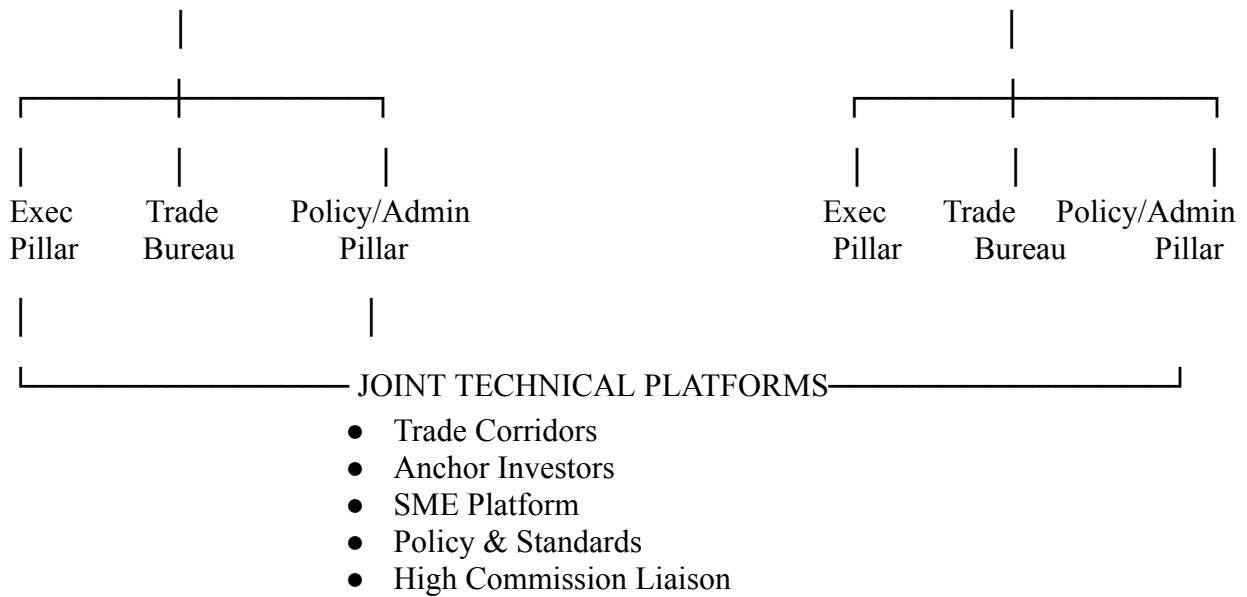

To facilitate, promote, and enhance economic ties, trade, investment, and collaboration between Nigeria and Kenya with focus on maritime/blue economy, inland waterways, agriculture, aviation, and value-chain integration.

Vision

PART IV

VISUAL ORGANOGRAM (AfCFTA PRESENTATION VERSION)

THIS FRAMEWORK WORKS FOR AfCFTA

- Clear oversight vs execution separation
- Bankable corridor pilots
- Measurable KPIs
- NTB resolution mechanism
- Structured SME pipeline
- Government-aligned private sector diplomacy, as NiKCCIMA becomes a structured AfCFTA demonstrator corridor and a networking club.
